Eclipsys Case Study

This Film and Entertainment Retailer runs and operates a circuit of theatres and entertainment venues within amusement, media, and digital media - all with the mission of passionately delivering exceptional experiences.

1 Why Eclipsys?

- Eclipsys has been providing the client with ongoing Managed Services for their Oracle PeopleSoft Environment
- The client was running their Oracle PeopleSoft Environment on Standard Edition and on hardware that was nearly end of life and turned to Eclipsys for recommendations and optimizations
- Eclipsys provided the client with a TCO comparison of new hardware vs. OCI
- Eclipsys then completed a POC to provide the client's team with a working Cloud Environment to test

2 Key Outcomes

- Successful Proof-Of-Concept (POC) on Oracle Cloud Infrastructure (OCI)
- Costing savings on Oracle Licensing, plus no hardware refresh
- Additional features with Oracle Database Enterprise Edition and PeopleSoft Cloud Manager
- Complete support with Oracle Cloud Infrastructure Cloud tenancy under Eclipsys' CSP
- Improved security and overall capabilities with OCI
